

Tracy Manor is a family owned and operated Residential Care Home with an extended family atmosphere.

We offer a high standard of care in a warm and friendly environment. Our friendly welcoming atmosphere helps ease the anxiety of transition and promote a smooth adjustment for our residents. When you or someone you love is ready for a lifestyle with more assistance, come see us!

About Us

Tracy Manor is located in scenic West Hartford in a quiet residential neighborhood within easy walking distance of many stores, banks, restaurants, and the bus line.

Our goal at Tracy Manor is to provide a consistent, high standard of service that allows the people we care for to live in a comfortable environment where their individuality, independence and dignity are respected and upheld.

Meals

We offer 3 home cooked meals per day plus a variety of healthy snacks and coffee breaks throughout the day. We strive to use local fresh produce. Most special diets and food preferences can be accommodated.

Our Services

Our entire focus has been on providing our residents with a physically, emotionally, and mentally enriching lifestyle. We work together with doctors, health professionals, and local community services as a team to provide the level of care we are known for.

We Offer:

- 24 Hour Supervision
- Medication assistance and monitoring
- Personalized assistance
- Meal preparation for breakfast, lunch, dinner and snacks

Our Amenities
